

Let's
Write a

Cinquain Poem

A cinquain is a simple poem with five lines. Unlike some poems, cinquains do not need to rhyme. A cinquain poem can be about anything, but it usually follows this structure:

- Line 1:** One word (a noun, the subject of the poem)
- Line 2:** Two words (adjectives that describe line 1)
- Line 3:** Three words (action verbs ending in "-ing")
- Line 4:** Four words (a phrase that relates feelings about line 1)
- Line 5:** One word (a synonym for line 1)

Here's an Example:
