THE FRICK PITTSBURGH POSTPONES JULY 14 REOPENING OF CAMPUS GROUNDS

PITTSBURGH, PA, July 9, 2020 — In light of recent increases in new COVID-19 cases in Allegheny County, The Frick Pittsburgh today announced the postponement of the July 14 reopening of its Point Breeze campus grounds to the public. The decision to delay reopening was made in the interest of the health and safety of the museum’s staff and community. A reopening date for the grounds has not been determined at this time, but will be shared via the Frick’s [website](#) and social media channels when plans are confirmed.

The opening of exterior spaces is the first phase of the Frick’s phased reopening plan. On Saturday, August 15, the Frick plans to reopen The Frick Art Museum and the Car and Carriage Museum to the public. Beginning Saturday, August 1, timed tickets for both museums will be available for reservation at TheFrickPittsburgh.org.

In accordance with Governor Wolf's statewide public health mandate, the Frick asks that all visitors to the site wear a mask and practice social distancing.

For continued updates on the Frick's reopening plans, the public may visit TheFrickPittsburgh.org/covid-19.
